

SCREAMIN' EAGLES

BEGINNER SOCCER PROGRAM

The purpose of Screamin' Eagles is to introduce the cutest generation to the great game of soccer through fun activities and games. The focus is on gross motor skill development such as running, jumping and balance, and a basic introduction to soccer fundamentals such as kicking and dribbling.

WHAT YOU NEED TO KNOW

Clothing and Equipment

Screamin' Eagles tshirt (highlighter yellow to be provided at parent meeting), comfortable shorts and shin guards worn inside socks, sneakers or cleats, Soccer ball (size 3), Sun screen, Bug spray, Water and snacks

Location

Activities take place at the Ward 3 Power Center, 3210 Power center Pkwy in LC. Screamin' Eagles fields just to the north the concessions stand and will be shown at the parent meeting.

Parking and Arrival

Allow plenty of time for arrival as traffic is extremely heavy. Parking is possible at the front gravel parking or the asphalt next to the fields.

How we do it

Everyone will meet at the activity location and then split into previously assigned groups. The groups will be announced at the parent meeting and players will stay in that group every week through the season. Regretfully requests for groups cannot be taken.

- Welcome and warm up! Big smiles & energy! Get moving! Get into groups!
- Activities begin! Kiddos rotate through three fun 10 minute soccer activities with a water break between each.
- Wrap up! After all activities, the groups come back together for a review and big send off!

Things to keep in mind

A Calcasieu Soccer Club coach will lead the sessions, but a parent of each child will be expected to join in and help guide their child through the activities.

Between all the activity at the Power Center, the sometime hot weather and new faces the children encounter, it can sometimes take them a few weeks to get comfortable so please hang in there.

Be mindful of the effects of heat and be sure to keep your child hydrated before, during and after Screamin' Eagles.

Please keep a close eye on your child throughout the day so they don't wander off anywhere as there will be thousands of people present each Saturday.

Thank you for being part of Calcasieu SC!
