A two-minute maximum period may be allowed. Players may not leave or enter the field of play during the water break period. No substitutions are allowed at the water breaks.

In case of inclement weather, the Tournament Director will determine if a game is to be played. Once the game has started the decision to continue play rests with the referee. If the referee suspends the game due to weather conditions, the tournament committee will decide when the game is restarted. A second stoppage of the game will result in automatic termination. Terminated games shall be considered completed if one half of the game has elapsed at which time the score at the stoppage of play shall be the final score. If a game is terminated before one half has been played, the game will be replayed in its entirety ONLY if scheduling permits and/or at the tournament director's

discretion. Check the Website (<http://cscsoccerclub.org/>) for weather and other tournament related information updates. Persons may also call the CSC office 337-474-6131, and listen to a recorded message in case of severe weather.

If a team leaves the field of play before the referee ends the game, that game and all remaining games shall be forfeited by that team. If a coach feels that conditions present an unnecessary danger to the safety of the team, he should request that the Tournament Referee observe the game and render a final decision.

9. Misconduct

An ejected player (red card) is ineligible for the next game. Two cautions (yellow cards) received in different games during bracket play will also mean the player is ineligible for the next game.

ABUSE OF OFFICIALS WILL NOT BE TOLERATED. Violations may result in forfeiture of the game and/or expulsion from the tournament. In addition, all matters involving referee assault or abuse will be referred to the tournament security, and Louisiana Soccer Association or the team's state association.

Any coach, or team official who has been ejected must leave the vicinity of the field immediately or the game will be forfeited. Anyone sent-off shall leave the playing area under the supervision of a field marshal and have no further contact with the team during the remainder of the game. Players will be released to their guardians at the tournament HQ tent. The referee will confiscate the player pass of any player sent-off and will turn it over along with a Report of Misconduct to the Tournament Director. These reports will be forwarded to the appropriate state association.

A team shall forfeit a game if its conduct causes a game to be prematurely terminated. Penalties resulting from conduct occurring before a game is forfeited shall be enforced. If a coach is sent off during a match which results in the team having to forfeit the game, the team will be disqualified from the tournament and all games played will be removed from the standings.
